Pathways Private School

Welcome to Pathways School. Whether you are new to our Pathways Family, or have been with us for many years, we are glad you're here!

Pathways School was founded in 1996 with the goal of helping children. Our desire has always been to offer a safe, fun, and educationally sound environment to students from all walks of life. We work hard every day to live up to our motto, "Changing lives, one student at a time".

Our theme, "Pathways Pride", places an emphasis on each student, teacher, and staff member of Pathways School taking PRIDE in their work, their appearance, their classroom, their school, their home and family, their heritage, and their community.

Join us in committing our best selves in the coming year so that we may have a safe, happy, and productive year of learning and growing in our Pathways Family.

Sincerely,

Christina D. James, Principal
