## **Pathways School Motto**

“Changing Lives, One Student at a Time”

## **Mission Statement**

To instill in every child an unwavering sense of self-worth; to recognize the strengths and weaknesses in every child, teaching through the strengths to enhance the whole child; and to give every child a firm educational foundation in order to prepare for success in tomorrow’s world.

## **Student Goal**

At Pathways, we teach more than Math, Science, Reading and History. We are here to teach children life skills. Our goal is to help students become productive members of society by teaching respect for authority, responsibility, accountability for actions and the importance of following rules.

# FOUNDATIONS OF CITIZENSHIP

## *TRUSTWORTHINESS*

Don't deceive. Build a good reputation. Be reliable.

## *RESPECT*

Be tolerant of differences and considerate of other's feelings.

## *RESPONSIBILITY*

Do what you are supposed to do. Be accountable. Persevere.

## *FAIRNESS*

Take turns. Share. Play by the rules. Don't take advantage of others.

## *CARING*

Forgive others. Help people in need. Express gratitude. Be kind.

## *CITIZENSHIP*

Obey laws and rules. Respect authority. Stay informed. Cooperate.

## Pathways Discipline Policy

Classroom management is left to each individual teacher. Teachers are expected to handle discipline in their classrooms on a daily basis. Teachers will be responsible for contacting parents by telephone or in writing to inform them of any discipline problems in the classroom. Teachers will choose a consequence for breaking rules that may include, but not be limited to, detention, loss of school activities/privileges and/or writing a summary of the offense and the consequence.

When a student receives their 4<sup>th</sup> referral, they will be given a suspension. A student is expelled when they receive their 4<sup>th</sup> suspension.

If a pattern of misbehavior develops, and classroom instruction is disrupted, the teacher will notify a member of the administrative staff to assess the need for a parent conference involving the classroom teacher, the parents, the student, and administration. The administrative staff will determine the need for further action which may include, but not be limited to, suspension or expulsion from school. The administrative staff will assess specific behavior on an individual basis. Behaviors that may warrant immediate suspension/expulsion may include, but not be limited to, insubordination, acts of violence, overt disrespect, threats, bullying, leaving school property without permission and other unsafe behavior.

We are here to teach the students math, science, reading, and history; but we are also here to teach them life skills. Our goal is to help students become productive members of society. It is imperative they learn respect for authority, responsibility, accountability for their actions, and the importance of following rules in order for us to provide a safe learning environment for every student at Pathways Private School.

## **Pathways Grade Changes, Incomplete Grades, and Course Recovery**

### **Grade Change Policy**

Grades submitted by teachers at the end of the term are final and are not subject to change on the basis of revision of judgement such as a new exam or additional work completed after the original grade has been submitted. The Teacher will consult with the Principal before any grade changes are made and will be approved **ONLY** if one of the following reasons has occurred:

1. Correction of error in grading, or entering a grade wrong
2. Submitting a final grade for an "I" grade (see Incomplete Grade Policy below)

Any correction of a grade must take place within one year of the start date of the course in which the grade was assigned.

### **Incomplete Grades Policy**

An Incomplete "I" is a temporary grade which may be given at the Teacher's discretion to a student for the purpose of unit/missed work recovery (Semester Recovery, SR).

The following provisions for Incomplete grades apply:

- Specific understanding/contract with completion date between student and teacher of what is expected to successfully pass a class
- Before the end of the term, the student and Teacher complete the incomplete Grade form.
- The student has one term to demonstrate mastery and earn the credit before the grade turns into an "F"
- "I"s must be updated within one year of the start date of the course in which the grade was assigned

### **Course/Credit Recovery Policy**

Students who have earned a failing grade in a core course may be approved to earn credit through the Credit Recovery program. Permission must be obtained from the Principal and Teacher in order for a student to repeat a course. Students may repeat up to 3 courses for course recovery.
